G.O. NO. 3759

Dated 20 - 8 - 1957

[Despatch Abstract.]

Acts and Rules - Madras Kurnool Peal Act, 1940 - Certain sections - Extension to the South Kanara Dt - ordered.

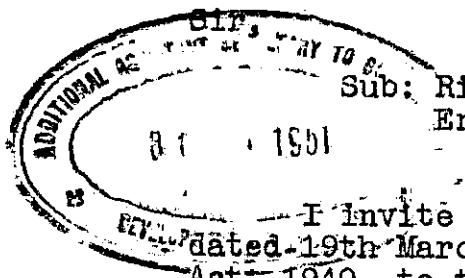
Animal Husbandry Department,
Triplicane P.O., Madras.
Dated 28th July 1951.

R.O.C.No. 798-IV/51

From Sri V.R. Rajagopalan, G.M.V.C., Dip., Bact., (Manchester),
Director of Animal Husbandry, Madras.

To The Deputy Secretary to Government,
Development Department, Madras.

83067



Sub: Rinderpest - Prevalence - In South Kanara District - Enforcement of Rinderpest Act, 1940 - Proposals.

I invite a reference to G.O.Ms. 1197, Development Department, dated 19th March 1951, wherein the extension of the Madras Rinderpest Act, 1940, to the South Kanara District and the enforcement of certain sections of the Act were ordered from the date of publication of the relative notifications up to 31st May 1951, both days inclusive. The District Veterinary Officer, South Kanara, reports that after the enforcement of the provisions of the Rinderpest Act, though the disease was steadily subsiding in the district till the beginning of May 1951, the disease has taken rather a severe turn from the third week of May 1951, with a number of attacks and deaths. The disease is still prevalent. The source of infection is traceable to cattle imported from Mysore State where, according to the reports, Rinderpest is prevalent in the border district of Shimoga District. It is, therefore, necessary that the provisions of the Madras Rinderpest Act should again be enforced in the district in order to control the epidemic effectively. I accordingly request that Government may be pleased to issue orders applying the provisions of Sections 3, 4, 5 (a), 16, 19 (a) and 24 to 30 of the Madras Rinderpest Act, 1940 (Madras Act XIX of 1940) throughout the district of South Kanara from the date of publication of the notification up to 31st March 1952, both days inclusive. Notifications on lines similar to those issued in G.O.Ms.No. 1197, Development Department, dated 19th March 1951, may be issued.

Yours faithfully,

V.R. Rajagopalan
28/7/51

Director of Animal Husbandry,
Madras.

Subject:- Acts and Rules - Madras Rinderpest Act 1940 - Enforcement in the South Kanara District - Proposals.

Ref. From the D.A.H. Roc No 798 IV/57 dated 28-7-57.

In G.O. No 1197 dated 19-3-57 the provisions of the Madras Rinderpest Act were enforced in the South Kanara district upto and inclusive of 31st May 1957. The D.A.H in his letter cited above reports that the D.D.O South Kanara has reported that though the disease had was steadily decreasing in the district till the beginning of May 1957, it has taken a rather severe turn from the third week of May and a number of death attacks and deaths have occured. - The source of infection is traced to Mysore State where Rinderpest is prevalent in the Shimoga district from where Cattle are imported to South Kanara. The D.A.H therefore requests that the provisions of Sections 3, 4, 5(a), 16, 19(a) and 24 to 30 of the Madras Rinderpest Act may be enforced throughout the whole of the South Kanara district upto and inclusive of 31st March 1958. The D.A.H requests that notifications similar to the ones issued in G.O No 1197 Dev

dated 19-3-1951. may be issued. The proposal of the D.A.H may be accepted. Subject to orders two draft notifications, one under section 1(3) of the Act and the other under section 5-(a) of the Act are submitted below. for Consideration - Legal may see for scrutiny.
